VILLELLA REMODELING & TRI COUNTY CARPET CLEANING

Villella Remodeling, LLC has been improving homes in the Mon Valley area since 1953, when Tom Villella, Sr. started the business. Upon his father's retirement in 2000, Tom Villella, Jr. took over the successful family business that we know today. The company specializes in kitchens, bathrooms and all phases of interior work, in addition to window and door installation.

Tom Villella, Jr. has been an active member of the Mon Valley Regional Chamber of Commerce since 2004 and is often seen participating in and supporting Chamber events. He led the Chamber softball team to 3 consecutive victories as the head coach in 2012 through 2014. For more information, or to schedule an estimate call 724-483-1183. Also visit www.villella-remodeling.com and on Facebook

Tri-County Carpet Cleaning is in the MVRCC's Member Spotlight. Owned and operated by Walt Bianchi, it is located at 622 Fallowfield Avenue in Charleroi. Tri-County uses a low moisture, quick drying process and carpets dry in a few hours, not a few days! Their unique process helps people with allergies (like dust, pollen, pet dander, etc.). Tri-County has also recently announced that they are offering Air Duct Cleaning, a process most people need, but do not realize **that they can breathe "easier" and have less dust in their home**, after receiving this service. Walt and Sandra invite you to call them at 724-565-1175 and make an appointment for a carpet cleaning or air duct cleaning free estimate today! You can also visit them at www.healthy-clean-home.com and on Facebook.

OVER \$270,000 IN DIVIDENDS RETURNED TO CHAMBER CHOICE PARTICIPANTS

Penn National Insurance has announced a one percent dividend for the fourth program year of the Chamber *Choice* Business Insurance program. MVRCC members who placed their insurance coverage with Penn National Insurance during the 2014/2015 program year and remained chamber members and policyholders through the end of the program year, will receive a dividend equal to one percent of their total premium. Over the past four years, Penn National Insurance has returned an average of 7% in dividends and returned to the business community and region over \$3.6 million in total.

"This program has not only been a great benefit to our members, but has had an economic impact by putting dollars back into our local community," said Deb Keefer, Chamber director.

An important aspect of this group insurance program is preventing loss and controlling claims costs. Because dividends are based on the group's collective loss experience, a business that may have had a significant loss may still be eligible to receive a dividend.

The program is sold exclusively through local, independent agents who can offer chamber members a variety of coverages and pricing on property and casualty insurance, including business owners, commercial auto, general liability, inland marine and workers' compensation. Dividends are paid on all of these coverages. In addition, through safety consulting, Penn National Insurance and local independent insurance agencies encourage member businesses to develop safety practices to substantially reduce or eliminate workplace injuries.

The Penn National Insurance program is just one of many benefits of chamber membership! See the enclosed flyer from CSC Insurance, a local Chamber member agent providing Penn National Insurance.
