

PRESIDENT'S MESSAGE

The Mon Valley once again is an up-and-coming region with vibrant communities and it's definitely coming back to life. The Mon Valley's Main Streets are thriving. Small locally-owned businesses occupy the storefronts. Broad Avenue, McKean Avenue and West Main Street are populated with shops and restaurants providing high quality goods and services.

Developing downtown business districts is sound economic development practice, in addition to generating short-term economic activity in the form of retail sales and dinners out. Over time, it also raises the value of the buildings in the area, which generates greater long-term tax revenue for the community.

With a thriving locally-based economy, complimented by corporate investment and local government partnerships we will succeed in creating sustainable jobs and sustainable economic prosperity.

The Melvin B. Bassi Memorial Golf Outing is Thursday, June 2nd at beautiful Nemaocolin Country Club. Each year this event attracts Chamber members and guests from around the region for a day of golf and networking. The MVRCC's annual golf outing has become one of Washington County's most prestigious business networking events. I look forward to seeing you there!

MVRCC WELCOMES NEW MEMBER NEW COAT PAVING & SEALING

Begun in 2010 as New Coat Sealing Services and expanding into New Coat Paving & Sealing, owners Tamara Kalkbrenner and Floyd Stangroom of the Finleyville area, along with Rick Meek of Monongahela have taken great pride in providing quality work to hundreds of satisfied customers in the Mon Valley and Southwestern PA. Together, they share combined experience; Floyd (31 years) as a paving company superintendent, Rick (22 years) as a paver screw operator and laborer, and Tamara (28 years) of accounting and business experience.

New Coat Paving & Sealing's services include asphalt paving and sealcoating, crack sealing and repairs, pavement paint markings and installation of reflective rubber wheel stops.

New Coat Paving & Sealing is fully insured and offer free estimates. Examples of their work can be seen on their website: www.Newcoatpaving.com. Phone: 412-295-2942.

April Member Spotlight MORNAK EXCAVATION, INC.

The Mon Valley Regional Chamber of Commerce is pleased to recognize Mornak Excavation, Inc. in the April Member Spotlight. They are a long time family-owned and operated business located in Rostraver Township. They specialize in excavation, (residential, commercial and municipal), utility lines, snow removal and landscaping, in addition to a long list of related services they can deliver to you with efficiency and integrity. Call them at 724-929-7203 for your next earth moving project!

Seen here (left to right) is David and Denise Mornak, owners, and son Dane, daughter Dena, and son David. Mornak Excavation is a MVRCC member and sponsor since 2004. Denise is one of our favorite volunteers at the Bassi Golf Tournament and Dena pitches for the Chamber softball team.

May Member Spotlight DAVID DAVIS COMMUNICATIONS, INC.

David Davis Communications, Inc. started in 1983, is Western PA's premier technology provider. Their objective is complete customer satisfaction. And to bring to you unsurpassed value and innovative technology that will increase your profitability and give you a competitive advantage.

David Davis is a customer-driven and results-oriented technology company. The experienced staff is ready to assist you with all the phases of the planning, design, installation, and maintenance of your data, voice, and security systems. David Davis Communications provides timely professional service for all of its customers' local and remote needs. The office and technical staff are employees, not subcontractors, and have grown as technology has changed, but the key to their success has remained the same - knowledge and commitment.

The MVRCC is pleased that this firm is committed to the community. They have been a member since 2002 and have continually remained connected to the organization. Mike Joos is a former Board member, and both David Davis and Mike have participated in the Leadership Washington County Chamber scholarship program and the Melvin Bassi Golf Outing. Please visit DDC on line at www.ddc-inc.com or call at 724-348-5463. They are located at 84 Walter Long Road in Finleyville.

It's hard to believe that the first half of 2016 is coming to a close! This winter was an exciting time for YPMV. This winter, we took some time make a few necessary organizational changes. While were somewhat quiet during this period, we still managed to host a successful fundraiser for **Charleroi's Harvest Bounty** program. At this event we raised over \$1,600 for the program! As we turn the page into the second

half of 2016, I want to make everyone aware of the exciting happenings coming from the Young Professionals of the Mon Valley this summer.

On June 16th at 6:00PM, we will be holding our next Social networking mixer at the outdoor space of The Bar in Monongahela. This is a free event, open to members and guests alike. If you are a young professional, or you know a young professional that may be interested, I invite you to come out and mix and mingle with our group. These events are great opportunities to network with the areas young professionals. We would love to tell everyone more about the benefits of a \$50 investment into YPMV membership! (\$25 if you are a MVRCC member).

YPMV is moving full steam ahead! We will begin a bi-monthly schedule of social events. Throughout the year, we will also be hosting a number of professional development and community engagement events. Be sure to mark your calendars for our August 18th social event at Fourth Street BBQ at 6:00PM. Our regular schedule of events will be posted to our website launching soon, but you can always keep with us on our Facebook page.

We look forward to seeing everyone at our upcoming events and invite all of you to join in as we "attract, retain, and develop the next generation of Mon Valley professionals"!

THE AUXILIARY OF MON-VALE HEALTH RESOURCES, INC. HOSTS ANNUAL LINEN INGATHERING LUNCHEON

The members of the Auxiliary of Mon-Vale Health Resources, Inc. are always busy raising money for Monongahela Valley Hospital. From operating the Gift Shop to planning and working the seasonal festivals and merchandise/food sales, the Auxilians are present at the hospital daily.

More than 100 people attended the Linen Ingathering hosted by Auxiliary of Mon-Vale Health Resources, Inc. at Monongahela Valley Hospital on May 2.

On May 2, the Auxiliary hosted its traditional Linen Ingathering Luncheon in the Anthony M. Lombardi Education Conference Center to raise funds for the Hospital. Many years ago, the event began as a tea but has grown into a full luncheon that is enjoyed by many.

“Tradition is important to not only the Auxiliary but the entire Mon Valley region,” said Auxiliary President Kay Blair. “When the Linen Ingathering Tea was first introduced, its purpose was to raise funds to provide supplemental linens for the Hospital’s use. However, throughout the years the Hospital’s needs changed, but we still hold a luncheon that we call the Linen Ingathering to raise funds for the purchase of patient care equipment and items.”

GARDNER DENVER NASH EXPANDS BUSINESS

Excerpts from an article by Christopher Buckley Herald-Standard

Driving eastbound on Interstate 70, the lights are visible on the hill above the Bentleyville exit. “From Washington heading east, they’re one of the first things you see when you come into the Valley,” said John LaCarte, vice chairman of the Mon Valley Alliance. They are the lights of the businesses along the hillside where Alta Vista business park is located in Fallowfield Township. And those lights — and the developing number of businesses they represent — are growing.

Gardner Denver Nash held traditional ribbon-cutting ceremonies marking the third expansion of their facility in Alta Vista. The expansion includes a 4,157-square-foot research and development test center and marine operations facility.

Gardner Denver Nash is joined in Alta Vista, which literally means “a view from above” by Weatherford, Progeny Systems and Scientific Drilling. The park was opened in 2002 by the Middle Monongahela Industrial Development Association. MIDA and the Mon Valley Progress Council consolidated effective April 1, creating the Mon Valley Alliance.

Engineer Wilson Gaibor leads a tour of the Nash research and development lab. The MVRCC was a part of the ribbon cutting celebrating the expansion

CHANNEL CRAFT MAKES INVESTMENT IN THE FUTURE OF PENNSYLVANIA

Channel Craft & Distribution owned by Dean Helfer and located in North Charleroi, recently made a donation to the Foundation for Free Enterprise Education. This gift will enable the Foundation to award one full and a partial scholarship to local high school sophomores or juniors to attend the Pennsylvania Free Enterprise Week 2016.

In a letter thanking Channel Craft from PFEW’s Karen Musante, Vice President and COO stated, “Dean, your gift is truly an investment in the future of Pennsylvania and the nation as we endeavor to teach our future leaders to both celebrate and understand our private enterprise system. We all know the issues that face our country’s private sector and we must educate our youth, our most precious resource, about what free enterprise means to the quality of life for all of us. Your support of our mission is absolutely invaluable and I hope you feel some much deserved pride in knowing that you are truly helping shape a positive future for all of us.”
