WE BELIEVE in EcoWasher®!

Phil Canfora of Norton, OH says "I hooked up my new EcoWasher®. I wanted to see if it really worked, like the President of the EcoWasher® company said that it would. I took a load of clean clothes

out of my drawer and washed them using no detergent just like the instructions said. **What I saw in the rinse water made my skin crawl!** The pure ecowater rinsed a **slimy looking gunk out of the clothes** that I had previously washed in detergent. I thought they were clean! I put the stuff into a bottle and sent it to the EcoWasher® company. I washed the clothes again but this time the rinse water was clean and clear! I was so incensed by what the EcoWasher® got out of my 'detergent' cleaned clothes that I took everything out of my dresser and rewashed them. **I will never use detergent again!** My clothes are clean and smell super fresh and I am saving money with every load of wash."

Sue Street of Massillon, Ohio says "I have to tell you **I love my EcoWasher®!** My towels were old and now they look new again! Now I can see how chemicals have been **gunking up my clothes!**

My jeans **feel so soft and clean**, and my sheets came out amazingly clean and feel awesome! I used to use dryer sheets, not now! Now I have less static every time I wash my silky garments. The **fresh smell** of the water going into the washer is **PURE heavenly!** I love the way it makes my laundry feel and smell. I am **telling everyone** I know about this truly wonderful product.

BECOME A BELIEVER! Try the EcoWasher® RISK FREE!

Experience the incredible cleaning power of the EcoWasher® for yourself. We are so sure you'll love your EcoWasher® that we offer a money back guarantee!
