YOUNG PROFESSIONALS OF THE MON VALLEY

The MVRCC is proud to announce an exciting new collaboration to bring business and networking opportunities to the region's young professionals! A networking and organizational meeting will be held at 6:30 PM at Fourth Street Barbeque in Charleroi. The Young Professionals of the Mon Valley group is in the planning stages, and invites young professionals to attend this informational meeting on JULY 28. This event is open to all interested parties - MVRCC membership is not a prerequisite. The suggested age is 21-40.

Ryan Galiotto, a financial advisor with Fields Financial and owner of IVM and Mario Porreca of Cleanse Pittsburgh came to Chamber President Jim Protin with the idea. It was presented to the Chamber Board of Directors who enthusiastically gave their approval to move forward.

“I thoroughly enjoyed the development process working with Ryan and Mario to get this off the ground,” said Jim Protin, President of the Mon Valley Regional Chamber. **“Reservations are brisk, so we know that this idea has struck a chord with our business community.”**

Some of the goals in mind are to create opportunities to meet like-minded young professionals in the area, network with local business and government professionals, and develop professional skills. The group will collectively have a voice in the community.

RSVP to Ryan Galiotto at rgaliotto@gmail.com to register for the event, or to become part of the mailing list for future updates. A complete flyer is found at www.mvrchamber.org and on page 7 of this newsletter.
