

Summer Soiree

We're excited to host our Summer Soirée again this year, a special celebration exclusively for our valued Chamber members!

This year's will be held at Monongahela Valley Country Club on Thursday, August 13th from 5pm to 8pm. Come relax on the veranda, do a little networking, win some prizes, see the newly remodeled MVCC.

Last year, we did one Giant Basket, filled with fantastic items, gift cards, and services—all donated by our incredible local business members. This year we decided there are so many great things our members have to offer that we are going to make more baskets and have more winners!!!!

We'd love to include a contribution from your business! Whether it's a product, a gift card, a discount voucher, or a branded item, your donation will be featured in the raffle baskets that will be presented and promoted at the event. This is a fun way to showcase your brand, engage with fellow members, and support the spirit of community and collaboration that makes our Chamber so special.

Official Invitations with more details will be mailed out this week. If you're able to donate, please let us know by July 24th, so we can include your business in the baskets and promotional materials. Donations can be dropped off at the Chamber or we'd be happy to arrange a pickup. We need all donations by July 30th. We also have sponsorships available: Sunset Soiree Sponsor \$500 or Veranda Sponsor \$250

but for now, just

It is so heartwarming to see the support for one of our local, small businesses. This is what it means when we say small businesses are the heartbeat of our communities. And our Mon Valley customers rock!!! Thank you for always showing up to help our local businesses succeed. Stop in to see Lisa Benyak and her friendly staff to see what great things she has to offer.

We were honored to celebrate a very special ribbon cutting at the ***Monessen City Library*** for their new Sensory Friendly Space, made possible through grant funding from the Westmoreland County Department of Human Services. 2026 LEGENDS OF COMMERCE GOLF OUTING

What an Incredible Day at the Mon Valley Regional Chamber's 2026 Legends of Commerce Golf Outing! We were thrilled to welcome a fantastic turnout of golfers to Nemaocolin Country Club in Beallsville. Following 18 holes of golf, participants gathered for a delicious steak dinner, where Brad Bassi delivered a heartfelt presentation honoring this year's Legends of Commerce Award recipient, Kevin Mollis. The outing featured a silent auction, putting contest, and numerous skill prizes that kept the excitement going throughout the day. Each year, a portion of the proceeds from our Legends of Commerce Golf Outing is used to provide scholarships to Mon Valley students pursuing higher education. This year's recipients were Spencer Anderson of Belle Vernon Area High School and Ethan Hartley of Charleroi Area School District. We are proud to invest in these outstanding students and look forward to seeing all they accomplish in the years ahead. Thank you to all who made the day possible from volunteers to sponsors, to golfers, to the donations that came in to make this day possible!

Women In Wellness Fair in honor of Mental Health Awareness Month

The atmosphere inside SPHS Riverside Place was filled with positivity, encouragement, connection, and a true sense of community. We were thrilled with the turnout and so grateful to every woman who attended, participated, and supported this special event. Guests had the opportunity to relax, recharge, learn and simply take time for themselves.

From healthy drinks and wellness tips to mini self care experiences and meaningful conversations, every vendor brought something unique and valuable to the event.

NETWORK LUNCHEONS

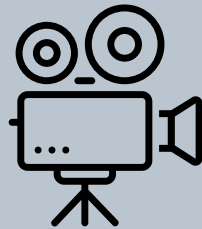

Chamber Networking Luncheons are held every 3rd Wednesday of the Month from 11:30 to 1pm at Mon Valley Country Club. Members are free, if you are not a member but thinking of joining, your first lunch is on us! Come meet us and see what we have to offer, talk with some fellow members.

April's Luncheon had a joint host, My Benefit Advisor and World Kinect. Craig Pritts discussed benefits for chamber members and Loren Martello talked about energy procurement. May's Luncheon was hosted by Washington County Community Foundation with Aliesha Walz, President and CEO. This Foundation is doing great things for our community. CHAMBER NEWS

Valley Visits are starting up again this summer. Our interns are busy out and about visiting businesses and making videos to help get your name out there! Have something new to share, a new location, a new business, let them know by contacting the chamber.

For a Valley Visit, we'll create a short video about your business. We then share it on social media. Just another great perk of being a chamber member.

Summer Stop By Series. The Chamber will be visiting participating businesses from 3:30 p.m. to 5:30 p.m. this summer, giving fellow Chamber members and community professionals an opportunity to stop by, network, learn more about your business, and see what you have to offer. Whether you are a retail store, restaurant, bank, service provider, manufacturer, nonprofit, or other business, this is a great opportunity to showcase your products, services, facility, and team in a relaxed and informal setting. Hosting is simple. The Chamber will help promote the event and invite members to stop by during the designated time. There are limited spots since it will just be thru the summer, so if you are interested, contact the Chamber to schedule your **Summer Stop By!!!!**
